Insurance Coverage Checklist

Snohomish Naturopathic Clinic will bill most insurance companies as a service to you. However, all plans are different and subject to change. We don't routinely call insurance companies for each patient, as we find that it is a much more empowering and informative experience for you! Below is a list of questions to ask your insurance company so you may determine your out-of-pocket costs*:

Date: _____ Time: _____ Representative: _____

- Do I have naturopathic, acupuncture and/or massage benefits?
- Is the provider I'm seeing contracted in-network or out-of-network on my specific plan?
- Are my benefits grouped in with other benefits (chiropractic, acupuncture, massage, etc.)?
- What are my co-pay, annual deductible and/or coinsurance costs per member or family?
- Do I need a referral?
- Is there a limit on the number of visits or maximum dollar amount per year?
- Does my insurance and/or health savings account cover dietary supplements?
- If I have IV-therapy benefits, will it still be covered if performed by a naturopath?
- For men: If I need testosterone shots, how will those be covered?
- If you are seeking naturopathic, acupuncture or massage treatment for any of the following, please be sure to ask your insurance company, specifically, how they will be covered:
 - o Weight Loss
 - o Well Exam
 - o Pregnancy
 - o Infertility
 - o Sexual Dysfunction/Impotence
 - o Tobacco Use
 - o Injury at Work
 - o Auto Accident
 - o Vitamin Deficiency
 - o Skin Tag Removal
